RE: VAR-1001
Issued: July 1, 2009

Dear Mr. Keegan:

This letter constitutes final approval of the ICC Evaluation Service, Inc. (ICC-ES) report referenced above, and authorizes use of the report in accordance with the ICC-ES Rules of Procedure for Sustainable Attributes Verification and Evaluation (SAVE™) Verification of Attributes Reports (ROP). Any further changes to the report cannot be accepted unless they involve any application for an interim revision or re-examination. The report will be due for re-examination on July 1, 2010, and may not be used or referenced beyond the re-examination date except with the permission of ICC-ES. Your report will be available on our website at www.saveprogram.icc-es.org.

Enclosed with this letter are electronic copies of the evaluation report, the ROP, and the ICC-ES SAVE™ mark of use in product identification and in your literature.

Use of the evaluation report, the report number, and the mark must be in accordance with Section 14.0 of the ROP. Failure to comply with the Rules could lead to cancellation of your evaluation report.

If you would like some suggested text for your product literature, we offer the following:

“European Copper LLC has received confirmation from ICC Evaluation Service, Inc. (ICC-ES), that its European Copper Chimney Pots (Models: Pawn, Knight, Knight II, Bishop, Bishop II, Queen, and King) complies with the provisions of the ICC-ES SAVE Evaluation Guideline for Determination of Recycled Content of Materials (EG101). The evaluation report is available online at www.saveprogram.icc-es.org.”

We appreciate this opportunity to serve you and ask that you feel free to contact us when we can be of assistance.

Respectfully,

A handwritten signature in black ink, appearing to read 'Steven R. Thorsell', is written over a light blue horizontal line.
