

CHIMNEY POT COLLECTION.

A key difference in European Copper chimney pots is our compatibility with both masonry and pre-engineered fireplace systems. We're certified and approved to fit on all leading fireplace manufacturers' products, so you can rest assured our chimney pots are compatible with your flue. 100 percent recyclable and UL-listed for the highest safety and performance ratings in the industry. When you purchase European Copper, you'll know that quality is built right in.

EUROPEAN COPPER
BY JACK ARNOLD

KING

EC-0-2447-1

With an octagonal shape and stately appearance, the King adds instant royalty to the home. This large chimney pot is ideal for tall chimneys and larger-scale homes.

BASE 2' 0" WEIGHT 45 lbs.
INSIDE DIAMETER 22" HEIGHT 4' 0"

 COPPER  FREEDOM GRAY

KNIGHT

EC-SQ-2144-1

The strong lines of the Knight offer a unique look with a pyramid-shaped top. This model also works well for more streamlined architecture.

BASE 1' 9" WEIGHT 36 lbs.
INSIDE DIAMETER 19" HEIGHT 3' 8"

 COPPER  FREEDOM GRAY

QUEEN

EC-0-2039-1

Appropriately scaled a bit smaller than the King, the Queen is also octagonal and adds a regal element to any chimney.

BASE 1' 8" WEIGHT 42 lbs.
INSIDE DIAMETER 18" HEIGHT 3' 5"

 COPPER  FREEDOM GRAY

KNIGHT II

EC-SQ-1633-1

Like the Knight, the Knight II offers a solid, boxy finish that works especially well with Art Deco and Craftsman-style homes.

BASE 1' 4" WEIGHT 20 lbs.
INSIDE DIAMETER 14" HEIGHT 3' 2"

 COPPER  FREEDOM GRAY

BISHOP

EC-R-2649-1

The clean lines of the Bishop's round shape make it ideal for Mediterranean and more contemporary-style homes.

BASE 2' 2" WEIGHT 26 lbs.
INSIDE DIAMETER 24" HEIGHT 4' 4"

 COPPER  FREEDOM GRAY

PAWN

EC-0-1924-1

The smallest chimney pot in our line, the Pawn lends a custom, stylized look to smaller-scale homes and chimneys.

BASE 1' 8" WEIGHT 21 lbs.
INSIDE DIAMETER 18 5/8" HEIGHT 2' 2"

 COPPER  FREEDOM GRAY

BISHOP II

EC-R-2036-1

A more petite version of the Bishop, the Bishop II echoes the shape of standard clay pots with a fraction of the weight.

BASE 1' 8" WEIGHT 36 lbs.
INSIDE DIAMETER 18" HEIGHT 3' 3"

 COPPER  FREEDOM GRAY

All chimney pots available in Copper and Freedom Gray finish.
